It Doesn't Matter Anymore
Written by Paul Anka

1. There you're goin' baby, here am I,
   Well, you left me here so I could sit and cry,
   Well, golly gee, what have you done to me?
   Well, I guess it doesn't matter anymore.

2. Do you remember, baby, last September,
   How you held me tight each and every night?
   Well, whoop a-daisy, how you drove me crazy,
   But I guess it doesn't matter anymore.

bridge: There's no use in me a-cryin',
   I've done everything and now I'm sick of tryin',
   I've thrown away my nights, wasted all my days
   Over you-ou-ou-ou.

3. Well, you go your way and I'll go mine,
   Now and forever till the end of time,
   I'll find somebody new, and baby, we'll say we're through,
   And you won't matter anymore.

solo:

repeat from bridge:

coda: You won't matter anymore,
   You won't matter anymore.
