Lonesome Blues
Written by Herb Pedersen

1. I’ve got the lonesome blues tonight,
   Why can’t you be a friend? that’s what I need,
   Someone to hold me tight, tell me it’s alright,
   I’ve got the lonesome blues tonight.

   mandolin solo:

2. I’ve got the homely blues tonight,
   If you’ve got some time to lend, I’ll try to be,
   The one you need tonight, make you feel alright,
   I’ve got the homely blues tonight.

   guitar solo:

3. I’ve got the cold, cold blues tonight,
   Why can’t you understand, we both can’t be,
   In someone else’s arms, when we dim the light?
   I’ve got the cold, cold blues tonight.
