1. Now Brother and I are all alone,  
   We have no place to call our home,  
   It will never be like home no more,  
   'til we meet them on that other shore.

   chorus: Oh Mother dear and Daddy too,  
            We wish that we were there with you,  
            It’s not the same since you’re away,  
            We’ll see you Mother and Dad some day.

2. Now Mother and Dad was old you know,  
   It hurt us so to see them go,  
   It’s not the same since they are gone,  
   Oh Mother and Dad we’re so alone.

   chorus:

3. Our little home will tumble down,  
   Since Mother and Dad are not around,  
   What is a home without a friend,  
   I’ll can never go back home again.

   chorus:
