Picture of You
Written by John Beveridge and Peter Oakman

1. In the night there are sights to be seen,  
   Stars shine like jewels in the crown of a queen,  
   But the only sight I want to view,  
   Is that wonderful picture of you.

2. On a streetcar or in a café,  
   All of the evening and most of the day,  
   My Mind is in a maze what can I do?  
   I only have a picture of you.

bridge: It was last summer, I fell in love,  
   My heart told me what to do,  
   I saw you there on the crest of a hill,  
   And I took a (little) picture of you.

3. Then you were gone like a dream in the night,  
   With you went my heart my love and my light,  
   I didn’t know your name what could do?  
   I only had a picture of you.

coda: I’m left with that picture of you, oh yeah,  
   That wonderful picture of you.
