Shady Grove
(Monroe & Skaggs versions)
Traditional

1. Coffee grows on the white oak tree,
The river flows with brandy,
The rocks on the hill all covered in gold,
And the girls are sweeter than candy.

chorus:  Shady Grove my little miss,
Shady Grove my darling,
Shady Grove my little miss,
I'm going back to Harlan.

2. Every time I walk this road,
It's always dark and cloudy,
Every time I see that girl,
I always tell her howdy.

3. I went down to Shady Grove,
She asked me in for supper,
Stubbed my toe on a table leg,
And rubbed my nose in the butter.

4. When you see that gal of mine,
Her smile is always sunny,
She's the darlin' of my heart,
I love her better than honey.

5. If you see my little miss,
If you see my darling,
If you see my little miss,
Tell her I'm going to Harlan.
