Sundown
Written by Gordon Lightfoot

1. I can see her lyin' back in her satin dress,
   In a room where you do what you don't confess.

   chorus 1: Sundown you'd better take care,
             If I find you bin creepin' 'round my back stairs,
             Sundown you'd better take care,
             If I find you been creepin' 'round my back stairs.

2. She's been lookin' like a queen in a sailor's dream,
   And she don't always say what she really means.

   chorus 2: Sometimes I think it's a shame,
             When I get feelin' better when I'm feelin' no pain,
             Sundown you'd better take care,
             If I find you been creepin' 'round my back stairs.

3. I can picture every move that a man could make,
   Getting lost in her lovin' is your first mistake.

   chorus 3: Sometimes I think it's a sin,
             When I feel like I'm winnin' when I'm losin' again,
             Sundown you'd better take care,
             If I find you been creepin' 'round my back stairs.

4. I can see her lookin' fast in her faded jeans,
   She's a hard lovin' woman, got me feelin' mean.

   chorus 2:
