You Can Close Your Eyes  
Written by James Taylor

1. Well the sun is surely sinking down,  
   But the moon is slowly rising,  
   So this old world must still be spinning 'round,  
   And I still love you.

   *chorus:* So close your eyes,  
   You can close your eyes, it's all right,  
   I don't know your love songs,  
   And I can't sing the blues anymore,  
   But I can sing this song,  
   You can sing this song, when I'm gone.

2. It won't be long before another day,  
   We gonna have a good time,  
   And no one's gonna take that time away,  
   You can stay as long as you like.

   *chorus:*
